

After enjoying a long & successful career as a project manager, it was time for me to seek out new & diverse occupational challenges, which I am happy to have found as a UX/UI Designer. I am hardworking, passionate, and I am always striving to learn more in the fields of UX & UI Design, and to continue to enhance & grow my skill sets. Prepared & excited to help the users & the company to achieve their goals.

## Experience

**\*Note:** The Google UX Design Certification is equivalent to 1 year of UX/UI Design experience

### **A Room To Grow Preschool** – Actual Company // Actual Project **UX/UI Designer ~ May. 2022 to July 2022**
